<p><b>Unauthorized Energy Use</b></p>	

**1. Preamble**

*Energy* usage that is not recorded by a *Measurement Canada* approved meter, and/or where the *Person* using *energy* does not have a *Distribution Services Agreement* with Newmarket-Tay Power Distribution Ltd. (NT POWER) is considered unauthorized *energy* usage. This includes, but not limited to, fraud, abuse, theft of power, and *energy diversion*.

**2. Disconnection**

NT POWER reserves the right to *disconnect* any *Person*, or *Consumer*, for causes, not limited to, *energy diversion*, fraud, or abuse on the part of the *Person* or *Consumer*. Reconnection may not occur until the *Consumer* or *Person* rectifies the condition and provides full payment to NT POWER of estimated *energy* used, all costs incurred by NT POWER arising from unauthorized *energy* use, including inspections, repair costs, agent fees, and the cost of *disconnection* and reconnection. Refer to NT POWERCOS-240-03 Deposits.

**3. Criminal Code**

Unauthorized use of *energy* is a criminal offence, and the York Regional Police Services will be notified of all occurrences.
